REGIONAL LAW ON PARTICIPATION FOR THE ELABORATION OF PUBLIC POLICIES (L.R.15/2018)

MAIN OBJECTIVES

REGIONAL LAW ON PARTICIPATION FOR THE ELABORATION OF PUBLIC POLICIES (L.R.15/2018)

WHO

right to promote:
Regional and local authorities, civil society

right to participate : ER citizens and their associations, foreigners resident in ER, enterprises, any other civil society form of representation

WHAT

Designed participatory processes about a public decision: regional law, policies, programmes, services, and projects, all stages of public decision

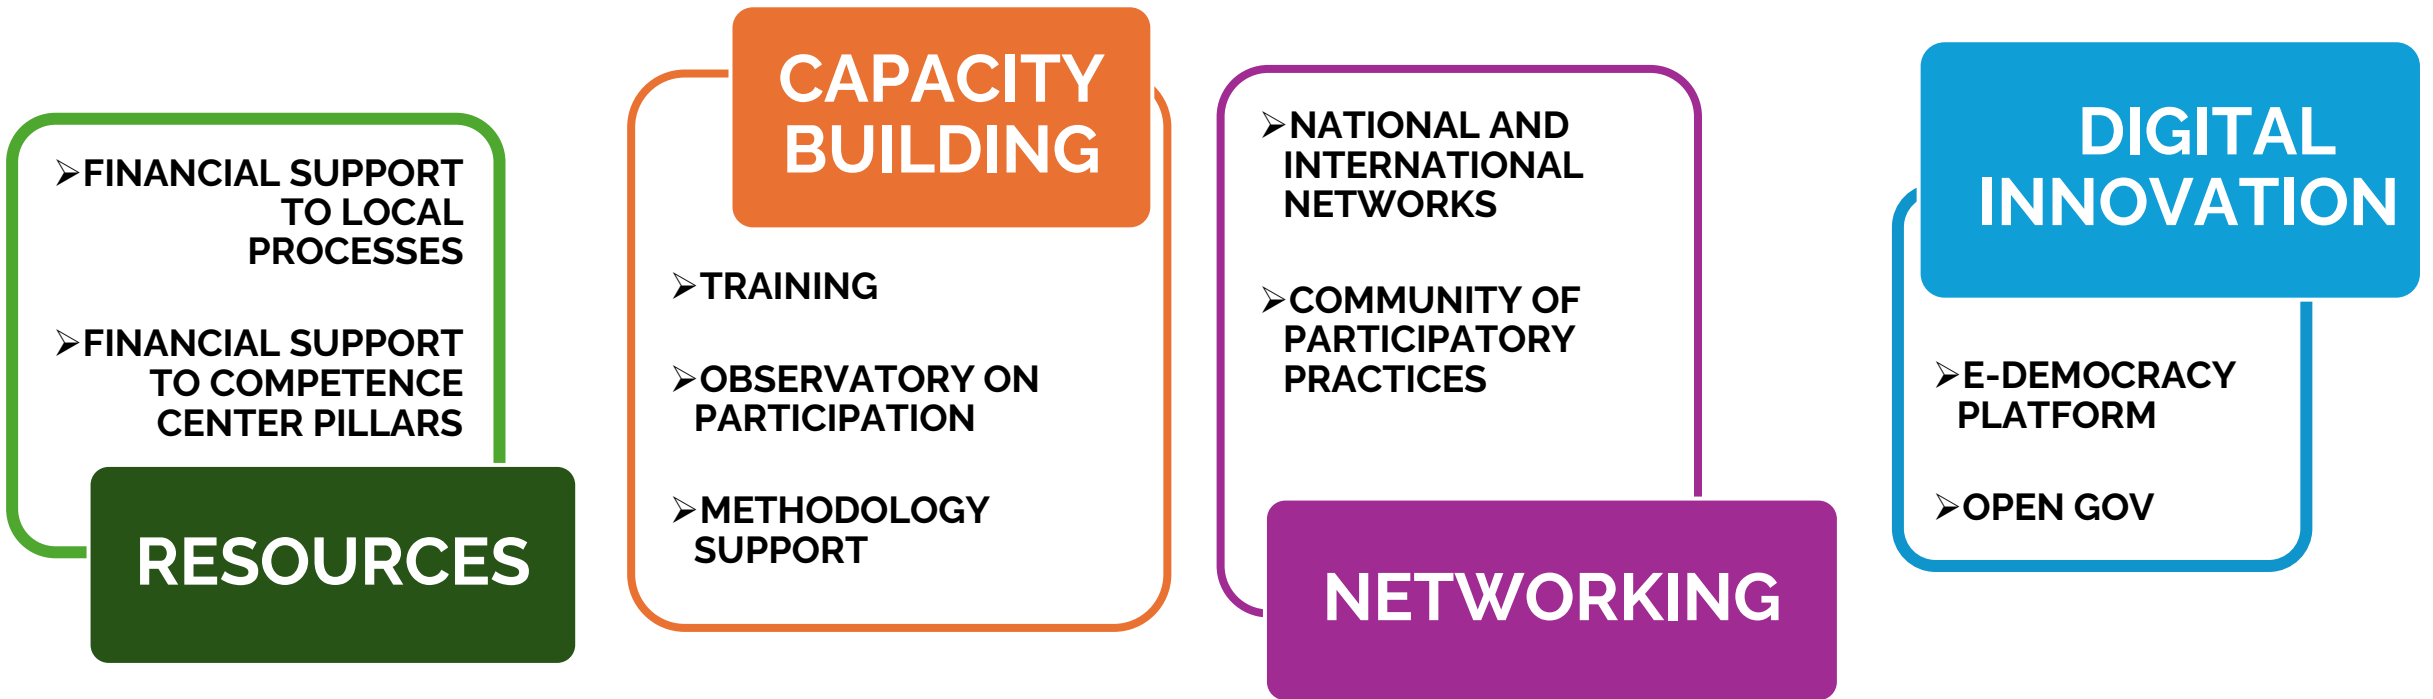

HOW

participation process aligned with the decision-making process, **any kind of methods** (participatory and deliberative), any type of recruitment, maximum time 1 year, **quality certification process.**

TASK

Accountability: public authorities should decide and **communicate how they plan to use inputs received**

REGIONAL COMPETENCE CENTER: 4 PILLARS

RESOURCES

Local participatory processes

Financial support to participation processes promoted by LA or civil society (annual budget allocation through competitive tendering procedure)

5.124.147,00 € from 2012

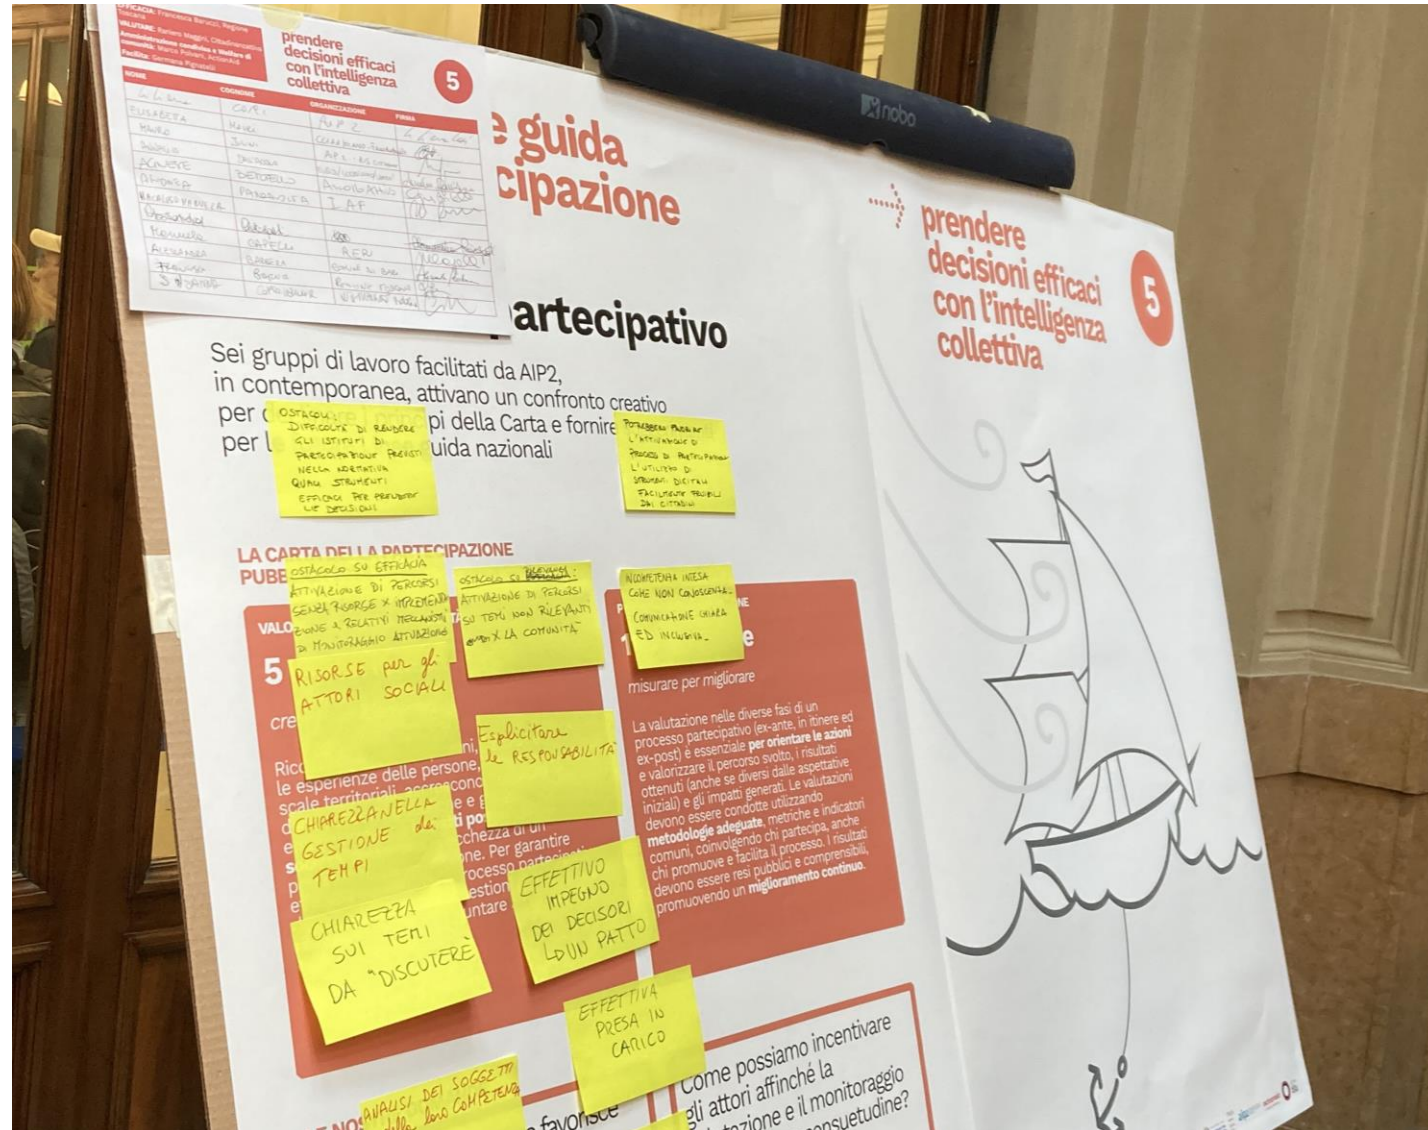

Community of practices

People involved in the co-creation and co-implementation of **STEP Territorial**

Participation Strategies: an annual program of meetings to promote cross-pollination, networking by sharing experiences and good practices, weaving connections with networks and with scientific contributions.

600 people involved

REGIONAL COMPETENCE CENTER

TRAINING

The multiannual training programme for participation

2022-24

defined through a **participatory budgeting**
1.500 people involved
14 training courses

2025-27

will be defined through a participatory approach, open to ER employees, local authorities, in order to match internal and local territorial needs. It will be launched on the 28 of November 4 meetings to gather ideas, define needs and develop a common training programme on participation

REGIONAL COMPETENCE CENTER

NETWORKING

Participation National Hub

Within the 5th National Plan for Open Government, Central administration, ERR, stakeholders have set up an Hub to support the development participatory policies

Multistakeholder Forum

it is a governance tool to foster Open Government, including public administration and private stakeholders. ERR is represented by **Micaela Deriu**.

Open Gov Practices: towards National Guidelines for public participation. ERR together with AIP2 and others are contributing to the guidelines

REGIONAL COMPETENCE CENTER

DIGITAL INNOVATION

PartecipAzioni

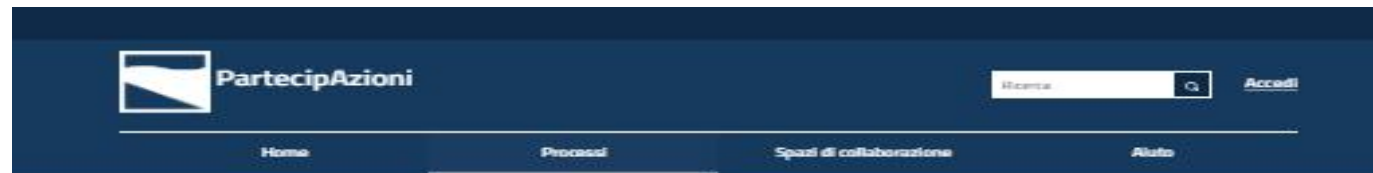

The e-democracy platform of the Emilia-Romagna Region, based on Decidim, to support the participation processes carried out within the framework of its policies and in implementation of Regional Law 15/2018.

Started in collaboration with the Department of Public Administration, as part of the 4th Line of Action of the National OGP Plan.

45 hybrid participatory processes
1250 people

Now used for regional and also for local processes.

REGIONAL COMPETENCE CENTER

Iniziative dai territori

Scopri le iniziative promosse da enti e organizzazioni del territorio, finanziate dal Bando Partecipazione.

La responsabilità dei contenuti, delle immagini e delle attività di moderazione di ogni singolo processo è degli enti promotori, nel rispetto delle policies della Regione Emilia-Romagna per l'utilizzo della piattaforma.

COMMUNITY and WELFARE

AREAS OF TERRITORIAL STRATEGIES

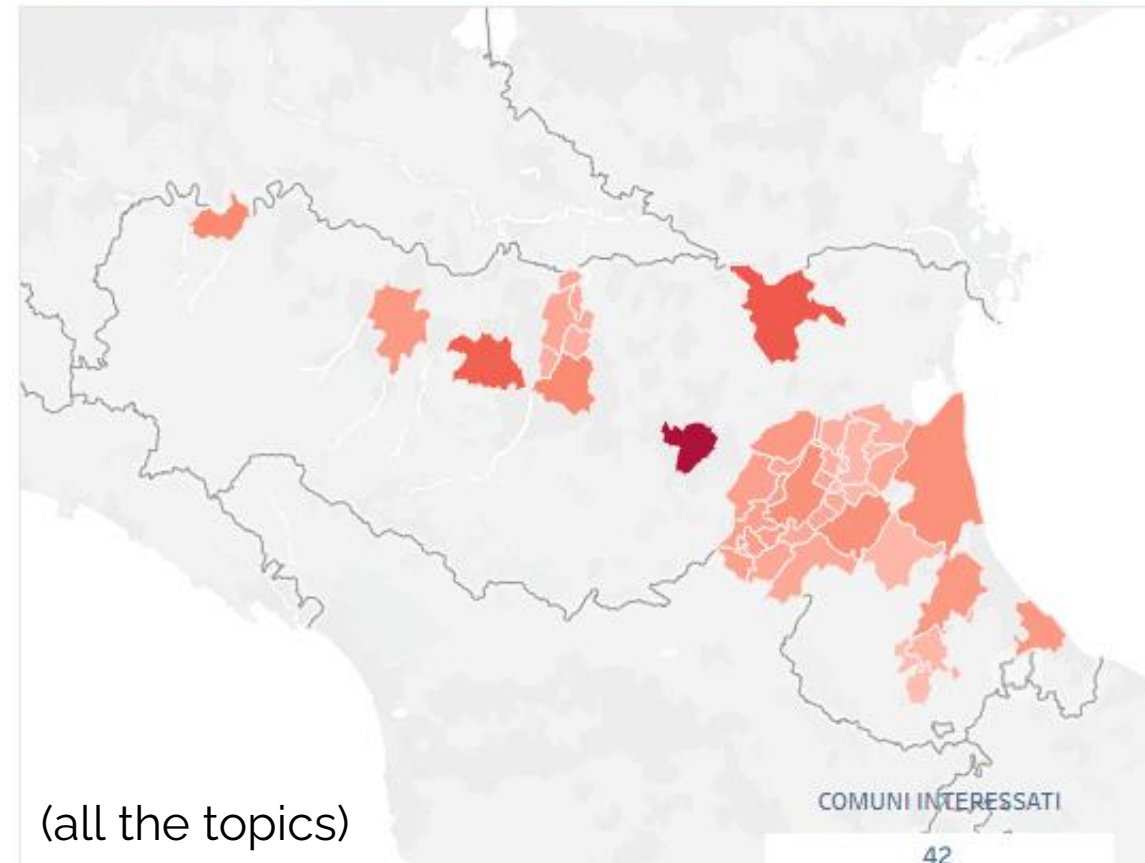

STAMI

360 participatory processes

ATUSS

757 participatory processes

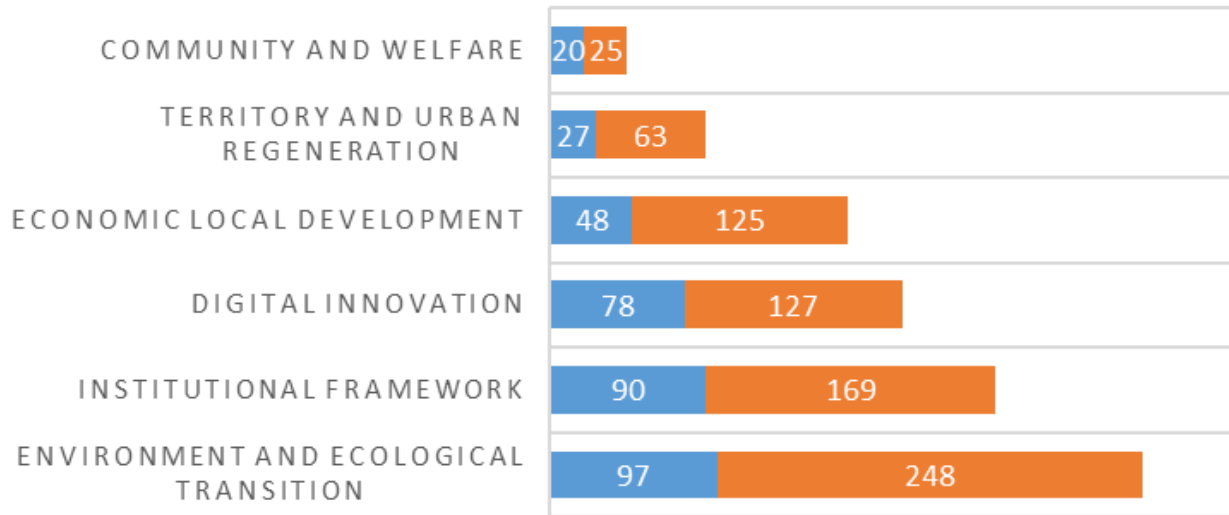

AREAS OF TERRITORIAL STRATEGIES MAIN TOPICS

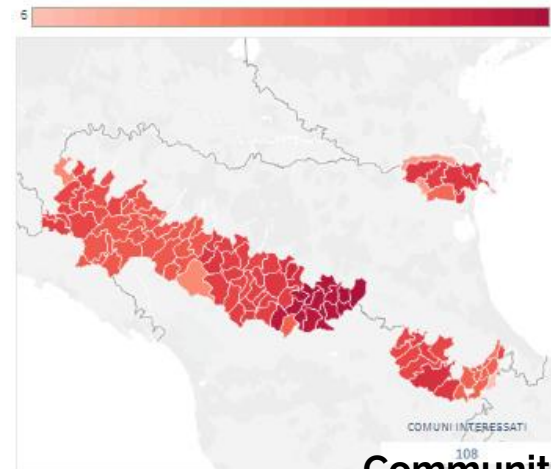

participatory processes

TOPICS

■ STAMI ■ ATUSS

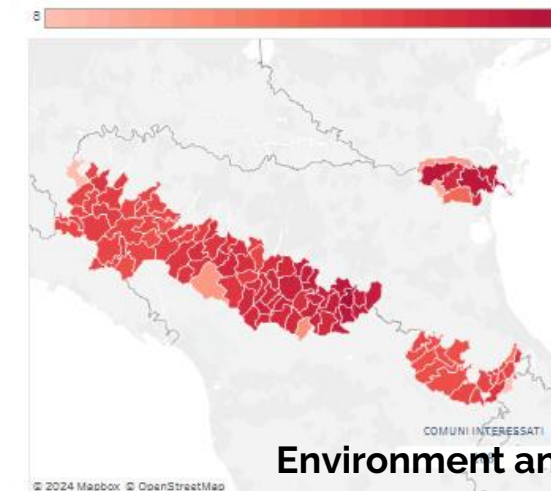

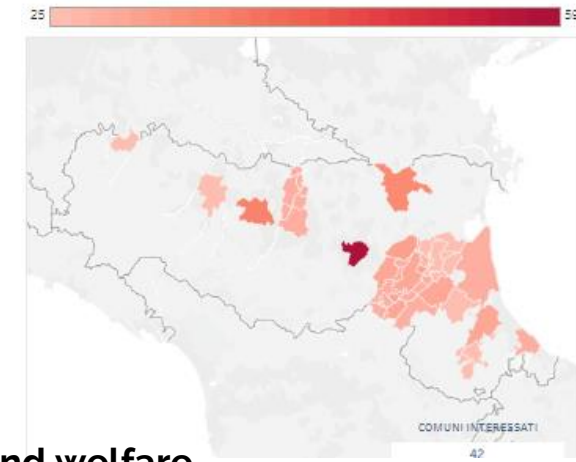

STAMI

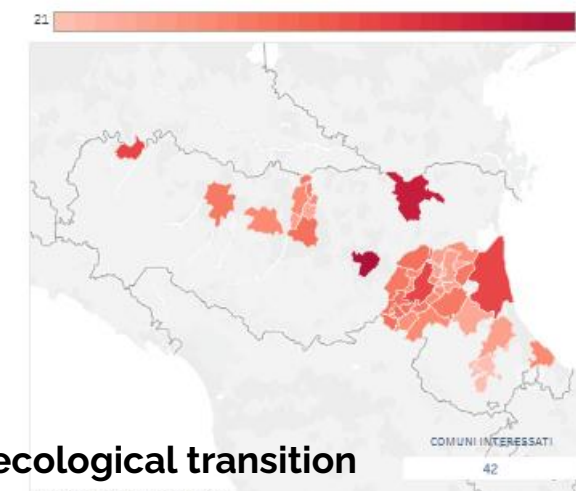

Community and welfare

ATUSS

Environment and ecological transition

FUTURE STEPS

1. LESSONS LEARNT

- ❖ **Capitalisation** of participation processes (local and regional)

2. INCREASE THE PARTICIPATORY APPROACH FOR LOCAL DEVELOPMENT POLICIES/CITIZENS ENGAGEMENT

- ❖ **ERR territorial policies for Urban and Inner Areas** (ATUSS and STAMI). Test and experiment a variety of methodologies for participatory approach (i.e. Youth project)
- ❖ **Contribute to National guide lines for participation process**, having a specific focus on local participation
- ❖ **Post 27**: developing possible **scenarios concerning** the role of participation in the programming and implementation phases of European and National funds

3. STRENGTHENING OF NETWORKS, NATIONAL AND EUROPEAN (MUTUAL LEARNING)

- ❖ Further testing Multilevel dialogue among ER local authorities, ERR and national level (periodic meetings to exchange experiences and point of view (Cfr STEP within the National plan for open government in view **of Local OGP**)

4. DIGITAL INNOVATION

- ❖ Further improvement of the e-democracy platform
